

SoD Public Bugs - Bug #22491

Obtaining information from Kava should not give a journal entry about speaking to Rend

04/06/2016 03:06 PM - Mauricio Berni

Status:	Closed - Fixed	Start date:	04/06/2016
Classification:	C - Minor	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	2.2.66.0		
Found In Version:	2.0.62.2		

Description

1. Load the attached save.
2. Speak to Lt Otilda (1, 1, 1, 2).
3. Walk east to the Irregulars at x1800 y3200.
4. Speak to Kava (2, 2, 1, 2).
5. Speak to Kava again (2, 1).
5. Speak to Rend (1).

Observed

Rend closes the conversation, leaving an open journal quest "Perhaps I should talk to Rend next".

Expected

Journal should probably say to report back to Otilda instead of talking to Rend.

Note

Internal report #22529

This looks like an either/or quest now, so the journal entry saying to speak to Rend after Kava has provided sufficient information is misleading. SDD225c, strref 57235.
