When do you think i can continue the game?
(Reinstall doesnt work ofcourse)

#5 - 04/20/2016 12:11 PM - Jeff "Balquo" Smyth

Can you equip another sword and then try it and see if it works.

#6 - 04/20/2016 12:48 PM - Staffan Kransberg

Doesnt work. Tried without a weapon too.

#7 - 04/20/2016 05:22 PM - Richard Hilton

Can you try turning Party AI off please (press the A key or use the icon on the lower part of the right toolbar)

#8 - 04/21/2016 09:58 AM - Staffan Kransberg

It worked!

Turning party AI off, fixed the glitch! Time to win the game!

Hat off you!
